Statement	<p>Transportation may be considered for students who do not meet the eligibility requirement in recognition that specific or exceptional situations may exist that would warrant an exception to the transportation policy GT-002. These courtesy rides can only be granted for the benefit of the student and must not, under any circumstances, result in additional buses, increased costs, or a longer bus trip, and must not create precedents or penalize students who already ride the bus.</p>
Procedures	<p>Courtesy rides can be considered for approval on an annual basis. A courtesy ride may be granted if all of the following conditions are met:</p> <ol style="list-style-type: none"> 1. A seat is available on the bus. 2. The bus stop already exists 3. The bus route and the length of the trip are not affected. 4. The need has been identified for the entire school year. 5. The existing stop location does not have the student crossing a hazardous area. <p>N.B. Availability of seats will not be considered in the month of September unless the coordination of transportation for all eligible students has been completed.</p> <p>If a bus provides services to schools in different boards, the number of courtesy seats on the bus will be divided equitably between all the boards.</p> <p>Requests for courtesy rides must be submitted by the parent/guardian to the school each year using the automated Courtesy Application Form (GT-09) available on our workflow website. No paper copies of the form will be accepted.</p> <p>The person submitting the application will receive an email with an approval or denial to the email from which they are submitting the form. The comments regarding the approval or denial will also be input into the bus planner program.</p>
