<b>Statement</b>	<p>Service may be provided by local taxi companies to ensure that the eligible student's transportation needs are met should situations arise that cannot be accommodated with regular bus service.</p>
<b>Requirements</b>	<p>The request for taxi service will be made by the Special Education Department, Superintendent of Special Education or the Superintendent of Business. WESTS will complete a cost analysis to determine if it is the most cost-effective measure to secure the service.</p> <p>The decision to utilize a taxi rather than a regular or specialized bus will be made jointly by WESTS and the applicable School Board.</p> <p>If a taxi is determined to be the most cost-effective measure, WESTS will set up the transportation.</p>
